The Proprietress  
Hallmark Secondary School,  
Ondo,

Dear Madam,

### **Letter of Appreciation**

We write to appreciate you for the marvelous work you are doing in the school, Hallmark Secondary School Ondo, and in the lives of the children under your care. Our children, DeVine and Comfort Fola-Adebayo, attend your school and we are simply amazed at the depth of the spiritual and academic investment which you have made in their lives. Over the years we have seen our children emerge as God-fearing; brilliant; talented; purposeful; hard-working; confident and self-motivated and driven young people who are well equipped for the future ahead and we write to say a word of **THANKS**. Thank you Mum. God will lengthen your days and cause you and the school to ride on the high places of the Earth and make the school strong like a tree planted by the waters. You will fulfill the number of your days in sound health and the school will continue to take her place of pride in Nigeria, Africa and the world at large.
